PROFESSIONAL SUMMARY

Network Engineer with 5+ years of IT experience across ISP and enterprise environments. Specialized in MPLS, WAN architecture, leased lines, firewall-controlled infrastructure, routing & switching operations, and SLA-driven incident management. Currently managing airport-scale network operations at AAI Chennai Airport and contributing to cloud transition architecture planning while exploring AI-driven automation models.

CORE TECHNICAL SKILLS

- Enterprise Network Architecture (Core / Distribution / Access)
- MPLS, WAN, Dual ISP High Availability (BSNL & Airtel)
- Routing: OSPF, BGP | VLAN & Switching
- Firewall Governance & Network Segmentation
- Monitoring Tools: SolarWinds, Nagios, PRTG
- ITSM Tools: ServiceNow, Freshdesk
- Cloud Exposure: Azure & AWS Networking Concepts
- AI Automation: Intelligent Monitoring & Alert Correlation Concepts

PROFESSIONAL EXPERIENCE

Network Engineer – VSERV Infosystem Pvt. Ltd.

Client: AAI – Chennai Airport | 23 Feb 2026 – Present

- Managing airport-wide network infrastructure (core, distribution & access layers).
- Handling dual MPLS leased lines ensuring redundancy and uptime.
- Administering centralized firewall architecture controlling airport operations.
- Monitoring departmental connectivity and resolving LAN/WAN issues.
- Preparing As-Is network topology documentation.
- Designing future cloud-controlled network architecture roadmap.

NOC Engineer – Oriana Technologies Pvt Ltd

June 2025 – 10 Feb 2026 | Chennai

- 24×7 ISP backbone and MPLS monitoring.
- SLA-driven incident handling and escalation.
- Vendor coordination and RCA documentation.

OTHER PROFESSIONAL EXPERIENCE

Network Support Engineer – Hexaware Technologies

Client: Vodafone Qatar | Feb 2025 – May 2025

- L2 enterprise LAN/WAN support.
- VPN and routing troubleshooting.
- Log analysis and compliance support.

Network Support Engineer – Movate Technologies

Aug 2020 – Aug 2024 | Chennai

- Router, switch & firewall configuration.
- VLAN, OSPF, MPLS troubleshooting.
- ServiceNow-based incident management.

Claims Assistant – Star Health & Allied Insurance

July 2017 – Aug 2020 | Chennai

- Handled documentation and verification processes.
- Maintained compliance and internal workflow coordination.

EDUCATION

B.Tech – Electrical & Electronics Engineering | Dr. M.G.R University – 2016
